

WindEnergy Hamburg 2022

WindEnergy Hamburg
 The global on & offshore event
 27 – 30 September 2022
windenergyhamburg.com

The **German Offshore-Wind Initiative GOI** will not only be looking forward to your visit at its joint booth together with the Foundation Offshore Wind Energy (**Hall B4.GF.205**), but also offers an exciting exhibition program and great presentations by its team members around the topic of export opportunities into the growing offshore wind markets Japan, Taiwan and the USA.

We are looking forward to your visit!
