

2023 German Offshore-Wind Initiative Summit & Smart City Expo

27th ~ 29th March 2023

David Chiang

Introduction

- The German Offshore-Wind Initiative Summit in 2022 was a success. It attracted over 150 industry professionals including press media and government officials to participate. Following a successful 2022 edition and with zero-quarantine measures, we are delighted align the 2023 edition with the concurrent Smart City Summit & Expo in Taipei, Taiwan.
- The 2023 edition of the German Offshore-Wind Initiative Summit look to provide insights and opportunities in the Offshore Wind market in Taiwan, and to highlight Germany-based companies to potential partners via exchange and visits.
